Beginning March 2012

Silver Rider Transit will begin providing transportation opportunities to the residents of Overton.

Beginning on March 5th, 2012 and then on the first Monday of every month Silver Rider will provide transportation from the Overton Senior Center and either provide access to the Las Vegas Express or provide transportation into Mesquite.

This service will be provided by reservation only. Overton residents needing transportation will need to make their reservations no later than 4 pm on the last Thursday of the month prior.

Any appointments made either in Las Vegas or Mesquite need to be made in the time frame between 11 am and 1 pm. Access to pharmacies will only be made available while in Mesquite.

If traveling to Mesquite must indicate at the time you make your reservation what your desired destinations will be.
