Illegal and Disruptive Passenger Behavior

The SNTC has established an Illegal and Disruptive Passenger Behavior Policy to address the safety and well-being of customers, passengers, and staff of Silver Rider. This policy is in effect in and around vehicles and facilities owned and/or operated by or on behalf of the SNTC/Silver Rider.

The SNTC – Silver Rider recognizes that an individual's disability or medical condition may cause a passenger to unknowingly and/or unintentionally violate the Illegal and Disruptive Passenger Behavior Policy. For this reason, the SNTC – Silver Rider looks at each violation individually.

Silver Rider Transit Non-Discrimination Policy

The SNTC does not discriminate on the basis of disability in admission or access to its programs, services, or activities; in treatment of individuals with disabilities; or in any aspect of SNTC operations.

If you have reason to believe that a client, customer or citizen may need auxiliary aids and services to access a SNTC program, service, or activity, advise the person that such assistance will be provided when appropriate and will be free of charge.

This offer and advice must also be made when a client, customer or citizen, due to a visual, hearing or speech impairment, requests an auxiliary aid or service for self (or on behalf of any other qualified individual) in seeking access to SNTC services. Any questions or complaints regarding compliance are to be directed to our attention:

Violation Policy

To cancel a trip in Laughlin contact 702-298-4435. To cancel a trip in Mesquite, contact 702-346-7006.

A "no show" occurs when a client is not at the pickup location ready to board the vehicle within five minutes of the vehicle's arrival. Each no show is counted as one (1) penalty point.

A "cancel at the door" occurs when the driver arrives at the pickup location and the client informs the driver that he/she will not be riding the bus that day. Each cancel at the door is counted as one (1) penalty point.

In any 30-day period, any client who has "no showed" or "cancelled at the door" at least 10% of the total trips booked in that 30-day period, will receive a suspension notice.

Additionally, to ensure suspension only applies to riders who have an established pattern or practice of scheduling trips and not taking them, a client must accumulate three (3) or more penalty points to receive a suspension. A client will be subject to suspension only if both the minimum 10% of trips scheduled were "no showed" or "cancelled at the door" and the minimum number of penalty points are reached during the 30-day period.

The length of a client's suspension will be as follows:

- For a first violation within a calendar year, a client receives a warning letter
- Second violation: 7-day (1 week) suspension
- Third violation: 14-day (2 week) suspension
- Fourth violation: 21 -day (3 week) suspension
- Fifth violation: 28-day (4 week) suspension
- Subsequent violations will increase by a week for each violation

Violations of this policy will result in suspension per the above schedule. If a no show or cancel at the door is due to circumstances beyond your control, please call SNTC – Silver Rider at 702-298-4435 to explain the circumstance and request the review or removal of the no show or cancel at the door points. SNTC management will review the client's record and notify the client of the decision regarding the request for removal of prior points assessed.

You can appeal the decision. If you dispute a suspension under this policy, you have the right to file an appeal. Appeal requests must be filed by the deadline per the instructions included in your notice of suspension. If, you miss the appeal request deadline, your Paratransit service will be suspended on the date listed on your notice of service suspension.
